

CALL FOR PAPERS

The 4th International Conference on Next Generation Computing (ICNGC 2018)

December 20~23, 2018, Vung Tau City, Vietnam

<http://www.icngc.org>

The objective of this conference is intended for academia, industry, and government to share knowledge, new ideas, and experiences to accelerate further inventions and innovations of next generation computing technology stemming from various research fields. The conference is organized by Korean Institute of Next Generation Computing, Korea.

Topics

We invite papers with the following topics, but not limited to:

- Core Technologies for Next Generation Computing

** Cloud Computing, Big Data Analysis, Artificial Intelligence, Internet of Things, ICT Convergence **

- Internet of Things
- Big Data Analysis
- Mobile Computing
- Artificial Intelligence
- Computer Graphics
- Multimedia System
- Communication System
- Human-Computer Interaction
- IT Fusion Technologies etc.
- Cloud Computing
- Green Computing
- Wearable Computing
- Virtual Reality
- Bioinformatics
- Embedded System
- Information Security
- Digital Media and Game

Paper Submission and Publication

ICNGC2018 solicits original, unpublished contributions in all aspects of innovations of next generation computing technology stemming from various research fields. Submitted articles must not be concurrently considered elsewhere for publication. Full papers can be 2-4 pages long. The submissions should be formatted with the given template which is available on the conference website. All accepted and presented papers will be published in the conference proceedings that will be distributed to all participants at the conference. All submitted papers are subject to peer reviews by Technical Program Committee members. Selection criteria include accuracy and originality of the ideas, clarity and significance of the results, and quality of the presentation. At least one of the authors of accepted papers should register to the conference when submitting the camera-ready copy of the manuscript for the paper to be printed in the conference proceedings. More details will be made available in subsequent announcements and on our website.

Best Paper Awards

Best papers will be selected by the technical program committee members among regular papers presented at ICNGC2018.

Important Dates

- Sep. 30, 2018 Paper Submission Deadline
- Nov. 15, 2018 Notification of Acceptance
- Nov. 30, 2018 Camera-Ready Submission
- Nov. 15, 2018 Early Registration

The 4th International Conference on Next Generation Computing (ICNGC 2018)

December 20~23, 2018, Vung Tau City, Vietnam

<http://www.icngc.org>

General Chair

Sung Wook Baik, (Sejong University, Korea)

Hoang Kiem, (Ba Ria - Vung Tau University, Vietnam)

Organizing Committee Chairs

Vu Van Dong, (Ba Ria - Vung Tau University, Vietnam)

Seokjoo Shin (Chosun University, Korea)

Local Arrangement Chairs

Phan Ngoc Hoang (Ba Ria - Vung Tau University, Vietnam)

Goorak Kwon (Chosun University, Korea)

Chung Ghiu Lee (Chosun University, Korea)

TPC-Co-Chair

Ki-Woong Park (Sejong University, Korea)

Joonhee Seok (Korea University, Korea)

Financial Chair

Deok-Hwan Kim (Inha University, Korea)

Steering Committee

Lynn Choi (Korea University, Korea)

Yunmook Nah (Dankook Universtiy, Korea)

Byoung-hee Roh (Ajou University, Korea)

Sang-Woong Lee (Gachon University, Korea)

Bay Vo (Ho Chi Minh City University of Technology, Vietnam)

Byung Seok Shin (Inha Universtiy, Korea)

Publicity Chair

Wansu Lim (KIT, Korea)

Maleerat Sodanil (King Monkut's University of Technology)

Muhammad Sajjad (Islamia College, Pakistan)

Miyoung Lee (Sejong University)

Chung-Ho Su (Shu-Te University, Taiwan)
